

■ Battery powered punch for every angle: *LS 50-L FLEX*

- ▶ Head rotatable through 360°.
- ▶ Compact design with high punching force of 60 kN and automatic limit switch.

Benefits:

- ▶ Effortless operations even in difficult areas thanks to ergonomic and lightweight design.
- ▶ Can be used with all Greenlee round and special shaped punches.
- ▶ The integrated control preserves the tools and significantly increases service life, thereby saving you money.

■ *LS 60-L: Punches 60 mm (PG48) holes in 8 seconds and shuts off automatically.*

- ▶ Punches 60 mm (PG48) holes in ST37 up to 3 mm in just 8 seconds.
- ▶ **Integrated micro processor control shuts off motor once punching operation is complete.**

Benefits:

- ▶ Considerably faster punching operations save you time.
- ▶ The integrated control **preserves the tools and significantly increases service life**, thereby saving you money.
